21.2. LUMINAID shall not be liable to Supplier by virtue of exercising any of the rights under Clause 21.1.

21.3. LUMINAID may terminate the Agreement for convenience in whole or in part, at any time, by verbal and/or written notice prior to Supplier's written acknowledgement of LUMINAID's purchase order or Supplier's performance under such Agreement. After Supplier has given written acknowledgement of LUMINAID's purchase order or has commenced performance thereof, LUMINAID may terminate such Agreement by giving 10 days prior written notice of such termination. At such time, Supplier shall minimize its expenditures under such Agreement unless otherwise directed by LUMINAID. LUMINAID's termination of this Agreement shall not constitute a default; however, Supplier shall be entitled to receive a remuneration under such Agreement based on Supplier's actual and reasonable and demonstrable costs and fees due up to the effective date of such termination.

22. Confidentiality

22.1. Supplier shall treat all information provided by or on behalf of LUMINAID or generated by Supplier for LUMINAID under the Agreement, including without limitation, the existence and content of the Agreement, as confidential. All such information shall be used by Supplier only for the purposes of the Agreement. Supplier shall protect LUMINAID's information using not less than the same degree of care with which it treats its own confidential information, but at all times shall use at least reasonable care. All such information shall remain the property of LUMINAID and Supplier shall, upon LUMINAID's demand, promptly return to LUMINAID all such information and shall not retain any copy thereof.

23. Insurance

23.1. Supplier will maintain comprehensive or commercial general liability insurance (including products liability, property damage and personal injury liability, and any other liability as may be requested by LUMINAID) with, unless otherwise agreed by LUMINAID, a minimum limit of five million Euro for claims of bodily injury, including death, and any other damages that may arise from use of the Goods or Services or acts or omissions of Supplier under the Agreement. Such insurance policies will be written with appropriately licensed and financially responsible insurers. Supplier shall inform LUMINAID of any cancellation or reduction in coverage with a minimum of 30 days prior written notice. Certificates of insurance evidencing the required coverage and limits and insurance policies shall be furnished to LUMINAID upon LUMINAID's request.

24. Miscellaneous

24.1. Supplier shall provide Goods and render Services hereunder as an independent contractor and not as an agent of LUMINAID and nothing contained in the Agreement is intended to create a partnership, joint venture or employment relationship between the parties irrespective of the extent of economic dependency of Supplier on LUMINAID.

24.2. Supplier shall not subcontract, transfer, pledge or assign any of its rights or obligations under the Agreement without the prior written consent of LUMINAID. Any not such pre-approved subcontracting, transfer, pledge or assignment shall be null and void and have no effect vis-à-vis such third party.

24.3. The rights and remedies reserved to LUMINAID are cumulative and are in addition to any other or future rights and remedies available under the Agreement, at law or in equity.

24.4. Supplier shall provide LUMINAID written notice of all product discontinuances twelve (12) months prior to the last order date, including as a minimum LUMINAID part numbers, substitutions, and last order and shipment dates.

24.5. Neither the failure nor the delay of LUMINAID to enforce any provision of the Agreement shall constitute a waiver of such provision or of the right of LUMINAID to enforce each and every provision of the Agreement. No course or prior dealings between the parties and no usage of the trade shall be relevant to determine the meaning of the Agreement. No waiver, consent, modification or amendment of the terms of the Agreement shall be binding unless made in a writing specifically referring to the Agreement signed by LUMINAID and Supplier.

24.6. In the event that any provision(s) of these General Conditions of Purchase and of the Agreement shall be held invalid, unlawful or unenforceable by a court of competent jurisdiction or by any future legislative or administrative action, such holding or action shall not negate the validity or enforceability of any other provisions of the Agreement. Any such provision held invalid, unlawful or unenforceable, shall

be substituted by a provision of similar import reflecting the original intent of the clause to the extent permissible under applicable law.

24.7. All terms and conditions of the Agreement which are destined, whether express or implied, to survive the termination or the expiration of the Agreement, including but not limited to Warranty, Intellectual Property, Confidentiality and Personal Data, shall survive.

24.8. The Agreement shall be governed by and construed in accordance with Dutch law.

24.9. Supplier and LUMINAID each consent to the exclusive jurisdiction of the competent courts in The Netherlands for the agreement and all related sub agreements.
